**2 Basis of Purchase** 2.1 No responsibility will be accepted by GWF for Supplies unless supplied pursuant to a Purchase Order signed by GWF, which constitutes an offer to buy the Supplies subject to these Terms. Supplying the Supplies constitutes Seller's acceptance of that offer. No change in quantity, description, Specification, Price, delivery terms or any of these Terms will bind GWF unless GWF confirms it in writing. 2.2 Seller agrees that these Terms apply to the Contract to the exclusion of any other terms, including any terms on any printed documents issued by the Seller. The Terms are in addition to all other rights GWF may have at law. Any waiver by GWF of any right is not a waiver of any other or future rights GWF may have. 2.3 GWF may at any time, on 30 days' notice, vary these Terms by written notice to Seller. 2.4 Nothing in this Contract requires GWF to purchase any minimum or other quantity of Supplies from the Seller (and GWF gives no undertaking or representation in this regard) or prevents GWF from purchasing Supplies from any other person, entity or source.

**3 Specifications** 3.1 Any Specification supplied by GWF to Seller in connection with the Contract, together with any Intellectual Property in that Specification or the resulting Supplies, are the exclusive property of GWF. 3.2 Any Specification produced or amended by or on behalf of the Seller for GWF in connection with the Contract vests in GWF immediately upon its creation. 3.3 Seller hereby assigns all right, title and interest in such Intellectual Property to GWF and will do any further acts or execute any documents required by GWF to effect such assignment. 3.4 Seller must not disclose any GWF Specification except with GWF's written consent. 3.5 Seller must not at any time after the date of the Contract supply Supplies using any GWF Specifications to any third party.

**4 Price and GST** 4.1 Subject to clause 4.2, the Price for the Supplies is: as stated on the Purchase Order, on a Free Into Store basis and inclusive of any taxes, duties or imposts payable in respect of the Supplies, unless stated otherwise on the Purchase Order or otherwise agreed by both parties in writing. 4.2 Unless the context indicates otherwise, terms in this clause that are defined or used in *A New Tax System (Goods and Services Tax) Act 1999* have the same meaning as in that Act. Unless expressly stated to the contrary, the consideration for any taxable supply made by a party (**Supplier**) under or in connection with these Terms shall include GST. The recipient need not make any payment for a taxable supply unless the Supplier has first issued a tax invoice. If an adjustment event occurs the Supplier must issue an adjustment note to the recipient and the difference between the GST payable on the supply (taking into account any adjustments) and the amount of GST included in the price for the supply must be paid by or refunded to the recipient as applicable. 4.3 Any amount to be reimbursed or indemnified in connection with these Terms must be reduced by an amount equal to any input tax credit to which the party being reimbursed (or its representative member) is entitled in respect of that amount. 4.4 Any rebates, discounts, allowances or other reductions in price to which GWF is entitled or which are granted by Seller are to be calculated on the GST inclusive Price. 4.5 The Supplier agrees not to increase the Price for any reason whether for change of input costs, change of law, currency exchange or any other reason. 4.6 The Supplier must make available to GWF and its authorised representatives for inspection and auditing, copies of all books, accounts and records attributable to the Supplies. GWF or its authorised representatives may take and retain copies of the books, accounts and records, provided that GWF must maintain the confidentiality of the Supplier's information which is by its nature confidential. The provisions of this clause shall survive termination of the Contract.

**5 Insurance** For the duration of the Contract the Seller must hold adequate insurance including workers' compensation, property damage for its property and the replacement value of the Goods, and product and public liability for at least \$20,000,000 for each and every loss, unless otherwise agreed with GWF in writing.

**6 Payment Terms** 6.1 Seller must send to GWF, at its address in the Purchase Order, an invoice setting out the Price and quantity of Supplies. If the Seller has complied with these Terms, GWF will pay correct invoices within 62 days from the end of the month in which the invoice was received, unless otherwise specified under the Purchase Order or as may be agreed to by GWF in writing. If, acting reasonably, GWF disputes the amount of an invoice or considers that the Supplies to which the invoice relates have not been properly provided, GWF is not obliged to pay the invoice until the dispute is resolved. 6.2 GWF may set off against the Price any sums owed to GWF by Seller.

**7 Supply, Delivery, Risk and Title** 7.1 Time of delivery is of the essence. Seller must supply the Supplies with written proof of delivery by the delivery date at the Site and pay all costs for delivery and provision of Supplies. 7.2 Risk in and title to the Goods passes to GWF on delivery to the Site and the payment of the whole or any part of the Price is without prejudice to any right of rejection or termination of GWF arising under these Terms. 7.3 Without limiting clause 7.2, the Supplier may not claim or register any interests (including security interests) in the Supplies. 7.4 Supplier undertakes to GWF that, notwithstanding that these Terms may constitute a security agreement; and/or GWF may have granted security interests in the Goods to the Supplier (including, without limitation, a PMSI in the Goods pursuant to clause 7.2) it will not, without the prior written consent of GWF, perfect, or take any steps to perfect, any security interest it may have in the Goods. 7.5 Unless otherwise agreed by GWF, the Supplier will not disclose, nor authorise the disclosure of, any information of the kind described in s275(1) of the Personal Property Securities Act 2009 (Cth) (PPSA) to any person. 7.6 Unless the context indicates otherwise, terms defined or used in the PPSA have the same meaning as in that Act.

**8 Inspection** GWF may inspect: all Services performed under these Terms, the Goods before they are dispatched and Seller's premises, and may review any manufacturing process, packaging or transport facilities used in respect of the Supplies. An inspection does not release Seller from any obligation imposed by these Terms or law.

**9 When GWF May Reject Supplies** Without prejudice to its rights under clause 7, acting reasonably, GWF may reject any Supplies which are not supplied by the delivery date or which breach any warranty, provided that GWF does not cause that delay or breach. Seller must pay the cost of storing, handling and returning any Goods rejected by GWF. No delay by GWF in rejecting the Supplies affects GWF's rights under this clause.
